## A GUIDE TO CUB SCOUT ACTIVITIES AND RESOURCES FOR CUB SCOUT LEADERS

### TYPES OF ACTIVITIES

#### CAMPING AND CAMPS

##### **GOSHEN SCOUT CAMPS**

The National Capital Area Council offers a week long camping experience for Webelos Scouts at Camps Ross and PMI at Goshen Scout Reservation located in the Blue Ridge Mountains, four hours South of the Washington Metropolitan Area. Two adult leaders for every five scouts must accompany each Pack. Scouts will have an opportunity to master archery, learn how to shoot safely with a BB-rifle, swim, enjoy boating, learn campcraft skills and gain an appreciation for natural resources. Camp runs from the last week of June through the third week of August. Early site reservations are a must. Forms are available through your Unit Commissioner and the Scout Service Center. Almost all sites are reserved by January each year.

##### **GEORGE WASHINGTON DISTRICT CUB SCOUT DAY CAMPS**

Each summer the District operates Cub Scout Day Camps at three different sites simultaneously. Each camp provides an opportunity for scouts to participate in games, sports, archery, crafts, storytelling, and a wide variety of organized activities. Early reservations are a must. Watch for details at Cub Scout Roundtable meetings and in the *Scouter Digest*. Most sites are reserved by early March.

##### **DISTRICT CAMPOREES**

District Camporees are usually held twice a year. At at least one Camporee, second year Webelos Scouts may camp overnight with their Pack. Packs usually camp with or near the Troop that these Scouts will bridge into in the Spring. The Troop will help with tents and camping gear. First year Webelos Scouts are invited to attend day-time activities at the Webelos Midway. Watch for details at Cub Scout Roundtable meetings.

##### **WEBELOS OVERNIGHT CAMPOUTS**

Each Cub Scout Pack's Webelos Dens may participate in overnight camping trips, provided each scout is accompanied by an adult partner. The Pack must file a Local Tour Permit Application with the Council Office or Senior District Executive at least two weeks in advance. (Overnight camping is available only to Webelos Scouts). At least one of the participating leaders should have received Youth Protection Training!

## PLANNING AN ACTIVITY - POINTERS

### GENERAL CONSIDERATIONS

- ☞ Use activities to achieve the aims of Scouting - citizenship training, character development, and personal fitness.
- ☞ Remember the most important thing to Scouts is FUN!
- ☞ Variety - Scouts enjoy all sorts of activities, but quickly become bored with a single type of activity.
- ☞ Safety must be a primary consideration
- ☞ Adult supervision is required

### CRAFTS

- ☞ Don't overuse this one!
- ☞ Can be to help on achievements and electives or just for fun.
- ☞ Can be related to a monthly theme or in preparation for a special activity like the Blue and Gold Banquet.
- ☞ Usually started at a meeting and finished at home.
- ☞ Make sure the project is within the abilities and interests of your Scouts.
- ☞ Show how it is done.
- ☞ Offer encouragement, excite imagination and avoid criticism.
- ☞ Allow freedom for creativity and individuality.
- ☞ Use variety.
- ☞ Crafts should be practical. Learning to braid is fine, but it would be better to braid an item that can be use used as a gift, part of costume. etc.
- ☞ Use simple and safe tools. Remember that a dull tool is dangerous. Tools are replaceable - boys are not.
- ☞ Power tools are dangerous, shouldn't be used by younger Scouts and never without one-to-one adult supervision.
- ☞ Remind scouts that clean-up is part of the job.

### DEN CEREMONIES

- ☞ Keep 'em short; e.g., 3 - 4 minutes mzximum.
- ☞ Praise is important.
- ☞ Simple, but impressive ceremonies inspire and motivate.
- ☞ Types of Ceremonies include:

|                       |                     |                        |
|-----------------------|---------------------|------------------------|
| Closing               | Den Doodle Awards   | Opening                |
| Conduct Candle        | Denner Installation | Progress Towards Ranks |
| Den Chief Recognition | Flag                | Special Recognition    |

### GAMES

- ☞ Den Chiefs can be very useful in leading games.
- ☞ Choose games based on space, time, and number of players.
- ☞ Choose game types that best fit the situation - some are good for letting off steam, while quiet games, requiring concentration, may help with a wild bunch.
- ☞ Games can involve families, Scouts only, multiple dens, etc.

### SKITS

- ☞ Praise is important.

---

\* An aquatics activity can only be conducted when at least one adult present is trained in the 8 Point Safe Swim Defense Plan.

- ☞ Keep it short - 3 to 5 minutes or less..
- ☞ Avoid long dialogue or memorized lines - try pantomimes or adult narration.
- ☞ Use simple props and costumes, if any are needed.
- ☞ Make sure the audience can hear. Speak slowly, clearly and loudly.
- ☞ Fit the scout to the part. Some parts may be too difficult for a particular boy.
- ☞ Screen the skits before they are presented to the Pack for good taste and scouting values.
- ☞ Give a congratulatory cheer afterwards, but avoid negative cheers; e.g., watermelon cheer..

## TOURS: PLANNING A DEN OR PACK TOUR

- ☞ Pick a tour that relates to Wolf or Bear Achievements:
  - ✓ Visit a zoo or nature area for Wolf Scouts
  - ✓ Visit a library and look at books and old newspapers for Bear Scouts
- ☞ Pick a tour that relates to a Webelos Activity Badge for Webelos Scouts;
  - ✓ A guided tour by a park ranger at a nature center would be a good bet for helping Webelos Scouts working on Naturalist or Forester Activity Badges.
  - ✓ Visiting a computer center, radio station, or TV studio would help Webelos Scouts working on their Showman and Communicator Activity Badges.
- ☞ Pick a tour that relates to the monthly theme:
  - ✓ Visit a fire station for fire safety month.
  - ✓ Visit a working farm (e.g., Oxen Hill, MD ) for themes related to Thanksgiving, pioneering, agriculture, etc.
  - ✓ Perform a service project for themes related to "helping others", citizenship, community, etc.
- ☞ Plan some tours close to home that can be accomplished in an evening:
  - ✓ Visit a local restaurant, police station, fire station, utility, or business.
  - ✓ Take the Scouts to a local manufacturer to see how things are made..
- ☞ Plan some tours for a weekend day:
  - ✓ Smithsonian Museums.
  - ✓ Federal Buildings.
  - ✓ Federal Monuments.
  - ✓ State and National Parks.
  - ✓ Federal, State, Local, Community, School and College Exhibits.
  - ✓ Festivals, Celebrations, Fairs, and Shows.
  - ✓ Sports Facilities.
  - ✓ Other out-of-doors outside activities.

## TOURS: SUGGESTED GROUND RULES

- ☺ Be sure to contact the place you intend to visit ahead of time so that they can prepare for you and give you necessary information before you arrive.
- ☺ Consider distance - how much travel time is involved?
- ☺ Obtain a local tour permit at least 2 weeks in advance, if the trip will involve more than 50 miles.
- ☺ Let parents/guardians know where you are going and when you will return.
- ☺ Obtain a signed permission slip from each boy before the trip (take the medical release on the back of each Scout's application or obtain a medical release on the permission slip).
- ☺ Make sure there is sufficient adult supervision. Invite parents to come along. Don't go without enough adults.
- ☺ Tell your Scouts the highlights of what they can expect to see.
- ☺ Coach your Scouts in advance so that they are attentive, courteous and follow all of the necessary rules.
- ☺ Remind your Scouts that they are guests and must follow the rules of their host(s).
- ☺ Point out to your Scouts that they are representatives of Scouting and that their behavior will determine whether other Cub Scouts will be welcome later.
- ☺ Establish the Buddy System before starting the trip. Explain that the two Scout Buddies must remain together at all times.
- ☺ Scouts and leaders should be in uniform on any tour or trip.
- ☺ Decide on a meeting place, just in case someone gets misplaced.
- ☺ Make sure that each Scout has money for an emergency telephone call.
- ☺ Locate restrooms as soon as you arrive and let your Scouts know where they are.
- ☺ Know where emergency care can be obtained.
- ☺ After the trip is over, write your hosts and thank them for their courtesy, including notes from the Scouts too.
