THE COMMISSIONER'S INTERNET RESOURCES WORKSHOP PART 3

Section 3 -- Scouting Related FTP Sites

FTP Sites

Scouting material for both Scouts and leaders, including campfire songs, games, history, world news, and unit administration information can be found at the following File Transfer Protocol (FTP) sites:

America Online	ftp://users.aol.com/bcsoft/scouting/inpowwow
BSA Requirements Help Win31	ftp://indian.dc.lsoft.com/home/pub/scout/SL31.zip
BSA Requirements Help Win95	ftp://indian.dc.lsoft.com/home/pub/scout/SL95.zip
CIS	FTP.CTS.COM/pub/mikey
MacScouter	ftp.macscouter.com/MSW51
IMP	FTP.IMP.CH/scouting Site
ITC	FTP.ITC.UNIVIE.AC.AT/pub/scout
MIT	rtfm.mit.edu/pub/usenet-by-group/news.answers/scouting
NETCOM	FTP.NETCOM.COM/pub/jn/jnelson/cubs
Pluto (under reconstruction)	Pluto.utdallas.edu/pub
Rec.Scouting	FTP.ETHZ.CH/rec.scouting/
Scouting Front Door	ftp://ftp.hiwaay.net/hyper/Scouts/
SETON	SETON.COR.NET/pub/scouts
US NET	FTP.US.NET/PUB/SCOUT

Files stored at pluto.utdallas.edu can also be accessed by Gopher or WWW. Each FTP site has its own directory structure and hundreds of useful files. Remember that part of the fun is figuring out where to get what information. If you need some help finding things, two great resources are SCOUTS-L and E-SCOUTS. Both discussion groups have dedicated Scouters with much more Internet experience than most of us, who are more than willing to give you helpful information on which file contains what information and how to call up that information.

Goodies:

ScoutWare 1.0 for Windows is now available for download via anonymous FTP from <ftp.us.net/pub/scout> and the file name is [scoutw.exe](#).

The Commissioners' Information Resources Workshop by Michael F. Bowman, is presented by R. Gary Hendra -- [The MacScouter](#) -- WDL, Pack 92, Milpitas, California
