

About once per month, each Den will be planning Field Trips. Generally, 2 or 3 drivers (in addition to the Den Leader(s)) are needed for each field trip.

In order to drive boys other than their own, the BSA requires that drivers be:

- \* at least 18 years of age
- \* driving an insured automobile  
(one seatbelt per occupant is also required)
- \* listed on the Trip Permit filed with the Council Office

If there is ANY possibility that you might be able to drive on any field trip, please fill out the information below. This information will be kept on file for the next 12 months. This information is for internal use and will be kept confidential.

Please give information for each possible driver and vehicle.

Thank You for your assistance.
