**The non-unit charter for a council has separate lists for the professional staff, council volunteers and each district. Merit Badge Counselors and Lone Scouts appear on the district list.**

**As far as adult positions that 18 year olds can fill, there is agreement among those who responded that DA, WA and CA positions in a pack, SA in a troop and VA in a team are open to them. The BSA Merit Badge Counselor application has an 18 year old minimum age requirement, but some Scouters replied that their councils raised the minimum age to 21.**

**Yours in Scouting,**

**Dave**

Lydia:

My position code list has them all. I guess you will have to make do. :-)

Dave Hultberg: I'm behind on my Scouts-L, but better late than never.

Below is the position code listing as of the date shown. Many of these codes are used only on district/council recharter rosters, since they are unique to either the professional staff or to district/council positions. The merit badge counselor (42) is a district position in our council, so I assume it is that way universally. I believe I have seen 88/96 on my district charter.

In our council, we have six non-unit charters, the professional staff listing, the council volunteer listing (president, VPs, Executive Board, Advisor Board, etc., etc.), and four separate district charters. I assume it would be similar in each council.

Varsity in the Scout Troop is being phased out, and the literature and insignia will migrate to using only Venture in the Scout Troop. This makes it simpler for the ordinary troop. Varsity as a separate chartered unit is alive and well, primarily sponsored by LDS partners, with no contemplated change in their program, which fits their needs quite well.

The available positions for 18-year olds are DA, WA, SA, and maybe (I'm not sure) VA. All others require 21. (Well, maybe merit badge counselors could be 18, I don't really know.)
